

(1) Have been informed that the data are confidential.

(2) Have reviewed and are familiar with the procedures to protect confidential statistics.

§ 600.425 Release of statistics.

(a) The Assistant Administrator will not release to the public any statistics required to be submitted under an FMP in a form that would identify the submitter, except as required by law.

(b) All requests from the public for statistics submitted in response to a requirement of an FMP will be processed consistent with the NOAA FOIA regulations (15 CFR part 903), NAO 205–14, Department of Commerce Administrative Orders 205–12 and 205–14 and 15 CFR part 4.

(c) NOAA does not release or allow access to confidential information in its possession to members of Council advisory groups, except as provided by law.

Subpart F—Foreign Fishing

§ 600.501 Vessel permits.

(a) *General.* (1) Each FFV fishing under the Magnuson-Stevens Act must have on board a permit issued under this section, unless it is engaged only in recreational fishing.

(2) Permits issued under this section do not authorize FFV's or persons to harass, capture, or kill marine mammals. No marine mammals may be taken in the course of fishing unless that vessel has on board a currently valid Authorization Certificate under the MMPA. Regulations governing the taking of marine mammals incidental to commercial fishing operations are contained in 50 CFR part 229 of this title.

(b) *Responsibility of owners and operators.* The owners and operators of each FFV are jointly and severally responsible for compliance with the Magnuson-Stevens Act, the applicable GIFA, this subpart, and any permit issued under the Magnuson-Stevens Act and this subpart. The owners and operators of each FFV bear civil responsibility for the acts of their employees and agents constituting violations, regardless of whether the specific acts were authorized or even forbidden by the

employer or principal, and regardless of knowledge concerning the occurrence.

(c) *Activity codes.* Permits to fish under this subpart may be issued by the Assistant Administrator for the activities described in this paragraph, but the permits may be modified by regulations of this subpart and by the conditions and restrictions attached to the permit (see paragraphs (e)(1)(v) and (l) of this section). The Assistant Administrator may issue a permit, as appropriate, for one or more of the activity codes listed. Only vessels of nations having a GIFA with the United States may be issued permits for activity codes 1 through 9. A GIFA is not required for a vessel to be issued a permit for activity code 10. The activity codes are described as follows:

(1) *Activity Code 1.* Catching, scouting, processing, transshipping, and supporting foreign vessels. Activity is limited to fish harvested or to be harvested by foreign vessels in the EEZ.

(2) *Activity Code 2.* Processing, scouting, transshipping, and supporting foreign vessels. Activity is limited to fish harvested or to be harvested by foreign vessels in the EEZ.

(3) *Activity Code 3.* Transshipping, scouting, and supporting foreign vessels. Activity is limited to fish harvested or to be harvested by foreign vessels in the EEZ.

(4) *Activity Code 4.* Processing, scouting, transshipping, and supporting U.S. vessels delivering fish to foreign vessels. Activity is limited to the receipt of unprocessed fish harvested or to be harvested by U.S. vessels.

(5) *Activity Code 5.* Transshipping, scouting, and supporting foreign vessels. Transshipment limited to fish received or to be received from foreign vessels processing fish from U.S. harvesting vessels.

(6) *Activity Code 6.* Transshipping, scouting, and supporting U.S. vessels. Transshipment limited to U.S.-harvested fish processed on board U.S. vessels.

(7) *Activity Code 7.* Processing, transshipping, and supporting foreign vessels. Activity limited to fish harvested or to be harvested by foreign vessels seaward of the EEZ.
